

Medical Conditions Survey

You have the responsibility for your health when you join for this experiment. It is a non-invasive study, so the likelihood of any challenges arising from that are minimal. However, if you suffer of one of the following medical conditions or have been diagnosed with them in the past, this may not be a good choice for you.

* Indicates required question

1. Email *

2. Have you been diagnosed with any of the following medical conditions? *

Check all that apply.

- ☐ Epilepsy
- ☐ Detached retina
- ☐ Glaucoma
